Fixing Community Items session

(Why this?)

Closing the Roundtable time we use available time to organize a session to fix a list of bugs from the reports at <https://dev.tiki.org/Community+items#Summary> and <https://dev.tiki.org/Community+items#List>

- ...

Tiki community issues (no coding) where volunteers are needed

- After 17 dogfood server & prefs documentation is switched over, it should all be checked for accuracy. (Anything obviously wrong)
