How to use the forum

When you first arrive at the forum page (after clicking on the "discussion forum" link in one of the different language menus), you will see a list of interventions on the forum. It will look something like this:

Discussion forum

[Forums->Discussion forum](#)

[[Show Post Form](#) | [Hide Post Form](#) | [RSS feed](#) | [Forum List](#)]

type	title	replies	reads	pts	last post
	How to use this forum	0	6	0.00	Thu 17 of Jun, [14:32]
	What does the forum think about this question?	0	0	0.00	Tue 07 of Sep, [15:39]

Page: 1/1

How to intervene in the forum

If you want to post a new intervention yourself, then click on the link indicated by "2" above (**Show Post Form**) and you will see this:

Discussion forum

[Forums->Discussion forum](#)

[[Show Post Form](#) | [Hide Post Form](#) | [RSS feed](#) | [Forum List](#)]

Post	<input type="button" value="preview"/> <input type="button" value="post"/>	smileys
Title	<input type="text"/>	   
Type	normal <input type="button" value="v"/>	   
Quicklinks	B <i>I</i> <u>U</u>          	   
Comment	<div>then write your comment here....</div> <div>...and finally, press the "post" button</div>	

How to read visitors' interventions

If you click on the link indicated by "1", then you will open that intervention to see what comments this visitor has made on the site.
